

TV Lawyers are Bad for Business and Threaten our Jobs.

South Carolina has lost over 12,800 jobs because small business owners had to pay \$276 million more for workers' comp premiums.

The reality is, TV lawyers and their cronies in the statehouse have opposed:

- workers' comp reform legislation aimed at reducing costs and increasing jobs
- qualified nominees to the workers' compensation commission committed to the rule of law
- regulation requiring that attorneys' fees be reasonable

Turn off the greed and smear tactics.

Call your senator today and ask him or her to stand up to the TV lawyers before they put you out of business.
